Codex Committee on Methods of Analysis and Sampling 36th Session (CCMAS)

Last Meeting: 36th Session, 22 – 26 February 2015, Budapest, Hungary

Next Meeting: 37th Session, TBA

NZ Delegation Report 36th Session:

- Agreed to give urgent consideration to developing criteria for biological methods while reconfirming its previous endorsement of the methods for determination of marine biotoxins as type IV methods;
- Agreed to continue work on preparing practical examples to support implementation of the principles for the use of sampling and testing in international food trade. New Zealand has leading much of this work in the committee.

The above outcomes are in line with New Zealand’s strategic objectives and interests in Codex
