Codex Committee on General Principles (CCGP)

Last Meeting: 28th Session, Paris, France, 7-11 April 2014

Next Meeting: 29th session – TBA

New Zealand attended the 28th Session. Main outcomes of importance to NZ were as follows:

- Endorsed the risk analysis definitions and texts as submitted by the Codex Committee on Food Hygiene and the Codex Committee on Residues of Veterinary Drugs in Food
- Agreed to a simplified Terms of Reference for the Committee but not support for development of new mechanisms for assessing economic impact of Codex standards;
- Supported recommendations for improving Codex/OIE collaboration;
- Held preliminary discussions on Codex work management practices.

The next meeting of the Committee is likely to be in May 2015
