Notes

1. Following your application being made to the Animal Products team animal.products@mpi.govt.nz, a risk assessment will be undertaken by the ACVM Group within 10 working days.
2. Following the risk assessment, a formal letter will be sent to you, under the Animal Products Act 1999, confirming the conditions you have provided to MPI to ensure that the primary processor is informed.

Collection of Personal Information

Pursuant to Principle 3 of the Privacy Act 1993, we advise that:

- This information is being collected for the purpose of obtaining approval under the Animal Products Notice: Specifications for Products Intended for Animal Consumption, issued 6 October 2014 to submit your animal material for petfood; and
- The recipient of this information, which is the agency that will collect and hold the information, is the Ministry for Primary Industries, PO Box 2526, Wellington 6140; and
- The collection of this information is authorised under the Animal Products Notice: Specifications for Products Intended for Animal Consumption 2017. The provision of this information is necessary in order to process your application for approval; and
- The supply of this information is voluntary, however, failure to provide this information is likely to result in a return of your application form and may ultimately result in a refusal to approve your application; and
- Under Principles 6 and 7 of the Privacy Act 1993, you have the right of access to, and correction of, any personal information that you have provided.

Release of Official Information

All information provided to the Ministry for Primary Industries is official information and may be subject to a request under the Official Information Act 1982 (OIA).

If a request is made under the OIA for information you have provided in this application, MPI will consider any such request, taking into account its obligation under the OIA and any other applicable legislation.
